Dear Riverina family and whanau

It was lovely to see the sun again last week and the students could get outside and play.

- The week ended with a musical Assembly from Room 6 and Room 1. It was wonderful to see the students MC the assembly and take on leadership roles. We are looking to develop this further during leadership week on 25th June to the 6th July. A big thankyou to all the parents and families who attended. It was exciting to see the appreciative audience for our students.*
- During the assembly on Friday, the kapa haka group performed. We had a special visitor called Claudia who used to be a student at Riverina. She came to watch the group and invite them to perform for a conference in the city. They had heard how awesome the kapa haka group are. We are so proud of their achievements.*
- Playground:** The new playground is a super addition to our school. The students are enjoying the facilities and having fun together. While staff can monitor this during playtime and lunchtime, after school we do not have that supervision. Please can parents provide active supervision to ensure our students can continue to use the playground safely.*
- NZEI:** There are nationwide Union meetings during June. Our staff are attending their local one on Wednesday 27 June. While school will remain open, we are unable to offer the usual school programmes. We are sending detailed information out with this newsletter.*

Have a great week.
