Vision: "Every Child, Every Opportunity."

## Check Out Our Pet Palace

Thank you to Mr Takimoana (Mr T) for the amazing pet palace he has created for our chicks. There are windows on both sides, plenty of air holes and the chicks have a lot more space. The best thing is that the home is on wheels, like a caravan, and can be moved around the school. They LOVE their new brooder and are thriving since moving in to their new home. This week their wings are developing and they are using them to fly. They are getting much bigger. They are spending more time outdoors but still need to be warm and cosy inside at night. They are really enjoying scratching around in the ground. Check out our Facebook page if you'd like to take part in our mission to name the chicks.

### Board of Trustees News

Thank you to everyone who shared their ideas with us regarding the skills and attributes they would like to see in our new Principal. Your ideas are being used to create the advertisement. The Board is now working with Nicky Knight to create the advertisement for the paper.

## Awesome Atlases

Room 1 were very excited to receive a beautiful Atlas each, donated by The Rotary Club, Pakuranga. Four Rotary Club members presented our students their Atlases. Room 1 students have thoroughly enjoyed using the books to find information about continents and countries around the world. They will also use this book to support learning for Race Relations Day.

We LOVE our new books!

## Playground Installation

Our playground installation has started. At the moment it doesn't look like much is happening, but we will see big changes over the next week. Our playground is on track to open on the 29<sup>th</sup> of March, the same day that we celebrate Race Relations Week. It will be a very exciting day for us at Riverina School.

Please contact sKids if you are interested in before school or after school care. The sKids programmes run from 7.00am in the morning, and until 6.00pm after school.

**Calling for Parent Help with Softball**

Parents we are looking for someone who would be available to referee at our upcoming Inter-school Softball tournament. If you are to help please contact Mrs Ravi as soon as possible. ([k.ravi@riverina.school.nz](mailto:k.ravi@riverina.school.nz))
