6 MARCH 2017

Following on from the messages last week about walking to school safely. We are having a big focus at school on Safe Communities. We are thinking about what a safe community looks like, sounds like and feels like. Please reinforce the theme of safe communities at home by talking to your child/children about the following ideas:

- Knowing how to keep safe, in school and out of school (e.g. by a pool, road safety)
- Identifying people who can help us (adults from school, police officers)
- Checking that we all understand how rules can keep us safe
- Knowing how we can work together (Treaty of Waitangi)

If school and home work in collaboration, we have a great chance of building a really safe community together. Thank you for reinforcing the messages and learning from school at home. We appreciate your support.

Goal Setting Meetings

Date: Thursday 16 March

Time: 1.30pm

Children from Rooms 1 to 9 should attend these meetings, with the exception of parents who have already had a Mutukaroa meeting this term. Students in Rooms 1 to 5 will be discussing with you their goals, and how they are going to take responsibility for their own learning. Together, decisions can be discussed as to how you will help them be successful with their learning, as this is the vital part in the home-school partnership.

Please book your children's meeting times by going on-line

www.schoolinterviews.co.nz/code School Code: 46jmu. If you do not have access to a computer, please fill in and return the slip below. The Office staff will then enter your time on-line, and will then notify you of your allocated time.

If you are not booking on-line, please return this form to School by MONDAY 13

March. Please write 1, 2 or 3 to indicate first or second choice of time. A

confirmation of your interview time will be sent home to you.
